Javed Khan's Story: Video Transcript

I grew up in **Birmingham**,

Statistically, one of the most **deprived areas** of the country.

My parents gave me a **work ethic**,

and unconditional **love**,

but neither had even been to school.

So when I ended up at secondary school,

I didn't know what I could do.

That's when I met Tony.

He was a Cambridge graduate.

He was always **calm**.

You never saw him cross, ever.

Over 5 years,

I went from enjoying maths,

to studying it at uni,

to teaching it myself.

What Mr. Coles taught me at first helped me be a better teacher,

but it showed me what children can achieve if you believe in them.

Which is something I see everyday with Barnardos.

Finally we see an image of Javed looking at camera on a blue backdrop. A title appears next to him.
