What actually is the **Mocks Service**?

The Mocks Service provides International schools with Pearson Edexcel GCSE and A Level exam papers for use in mock exams.

The Mocks Marking Service is available on an on-demand basis from September to the end of July. We offer an onscreen service across some subjects.
The Mocks Marking Service

- The **Mocks Marking Service** provides schools with Pearson Edexcel International GCSE and International A Level papers for use in your mock exams, that are then marked by Pearson examiners with results uploaded to **ResultsPlus** for item level analysis.

- Papers are set up for schools within 2 weeks of submitting student entries via the booking portal.

- From receipt of completed mock exams, results will be uploaded within 14 days for onscreen mocks.

- With our flexible service, your students can sit mock exams at a time that suits you.

On average a teacher spends 15 minutes marking a Mocks paper. This means a class of 28 students can take up to 14.5 hours to mark if you take into account moderation and analysis of papers.
