

Your Year 2 planner - week 2

Welcome to our summer term timetables. Following feedback from you, and our team of working parents, we've simplified these to make them easier to follow and to help fit around your daily schedules. We hope you find them useful to help your children continue learning in a fun way!

- ▶ **Balance your family schedules** - we've suggested core learning of English and maths in the morning but if that's when you need to work, switch it around. Or, balance the day with English in the morning and maths in the afternoon.
- ▶ **Lesson duration**
As a guide we'd expect each lesson to last: Reception: 30 mins; Years 1 and 2: 45 mins and Years 3 to 6: 1 hour.
- ▶ **Build in work from school** - choose what to swap out from the timetable with lessons provided by your child's school. You could even share this timetable with your school to help everyone!

- ▶ **Theme your week** - for fun activities and games outside key learning windows, a theme will help give some focus to creative time!
- ▶ **Establish a routine** - once you've found timings that work, try and stick to it as it will manage expectations and provide security.
- ▶ **Print or draw it out** - so everyone can see it and feel involved.
- ▶ **If it's not working, try again tomorrow** - Although continuing your child's learning is important, we don't expect every child to do every learning activity every day. At this time, we know it's equally important to enjoy time with our children - playing, baking, painting, reading, and sometimes just enjoying doing nothing!

Tips for linking to ActiveLearn Primary

You should have received login details for ActiveLearn Primary to access our Bug Club reading and Abacus maths games. You will find all this fantastic content in My Stuff. (Completed books and practice games will move through to My Library). Go to the 'grown-ups' area for help and advice.

If you haven't received your login details or need help, please **contact our UK based customer support team.**

Friday

Morning exercise

Morning
Maths

Try this White Rose Maths activity all about **comparing lengths (Lesson 1)**.

This activity from White Rose Maths is all about **ordering lengths (Lesson 2)**.
Have a go with this problem solving activity called 'Fanned fingers'. Find it in My Stuff on **ActiveLearn Primary**.

Here is another activity from White Rose Maths about **four operations with length (Lesson 3)**.
There's a fun School Jam practical activity you can try called **'The best guess'**. Here's an **image** to help show how to play.

This activity from White Rose Maths is all about **problem solving (Lesson 4)**.
Have a go at this fractions refresher in the Unit 11 Lesson 3 **Power Up** on page 3.

Finish the week with the **Friday Maths Challenge** from White Rose Maths and BBC Bitesize.

Break time

Morning
English

Listen to this **Bug Club story** together, then ask your child the **comprehension questions**.

Look at the *Junko Tabei* **vocabulary sheet**, then listen to the **Bug Club story** again.

By now, your child should be familiar with this week's **Bug Club story**, but do make time to listen to it again if they would like to.
Then have a go at this **short writing activity**.

By now, your child should be familiar with this week's **Bug Club story**, but do make time to listen to it again if they would like to.
Then have a go at **this activity**.

By now, your child should be familiar with this week's **Bug Club story**, but do make time to listen to it again if they would like to.
Then have a go at **this fun game!**

Lunch time

Afternoon
Take your pick from these other activities!

What is an ocean habitat?
(Science video and activity)

Galaxy Pugs game
(Geography game)

What is a woodland habitat?
(Science video and activity)

Who was Queen Victoria?
(History video and activity)

Let's explore Rio de Janeiro
(Geography video and activity)
