Cutting-edge classrooms

Key Statistics

- A total of 12,525 UK-based students
- 143 distinct nationalities
- We are very proud to share London Met have moved up 25 places in the Times and Sunday Times Good University Guide.
 1. 6th nationally for teaching quality
 2. 8th for spend on student services and facilities
 3. 17th for student experience
 4. 29th for social inclusion

This success comes in part due to the well-above average student satisfaction scores London Met achieved in the most recent National Student Survey (NSS), which saw 80% of students express satisfaction with the University - higher than almost all Russell Group institutions.

Why London Met?

- Our graduates have gone on to work at companies including the BBC, PricewaterhouseCoopers, the Bank of England, Alexander McQueen and the British Museum
- We maintain strong industry links to ensure you gain vital professional experience while you learn, with courses carefully crafted to incorporate new and emerging industry trends and practice
- All our undergraduate students are guaranteed a work-based learning opportunity, which counts towards their studies
- The University has committed £15 million to drive racial equity and inclusion at London Met
- London Metropolitan University has been a pioneer of entrepreneurship for over 15 years
- Accelerator – Business incubator
- Our international graduates looking to work in the UK after their studies will even be assisted in finding work opportunities with work permit sponsoring employers.

Applying as an international student

At London Met we understand that the needs of international students are different to those joining us from within the UK. Here you'll find all of the information you need to make the application process as simple as possible, with details about how to apply, entry requirements and English language requirements as well as advice about moving to the UK.

Please note that applications for our Autumn 2020 term have now closed. Applications for our January and September 2021 intakes are still open.

Thinking of applying?

Visit our [international advice webpages](#) for guidance on visas and living, studying and working in the UK
