## Learn how PTE uses AI to mark an English test

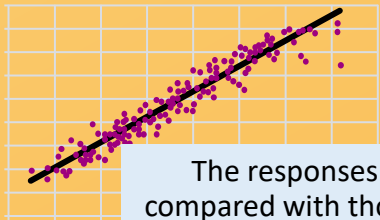

Expert test developers create questions and quality assure them

Thousands of responses from all around the world are collected

Each response is scored by experts

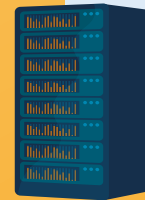

The responses will be compared with thousands of previous responses and how they were scored.

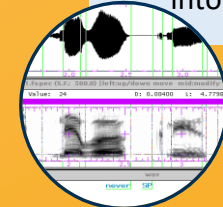

Every response and the scoring from test takers will be accumulated in our algorithm

By using the algorithm, the machine is enabled to imitate the expert scorings

Expert scorings become the sample data to feed into an algorithm

### You will receive

1 **Convenient and less stress** testing experience

2 **Fast results** within 2 days

3 **Accurate, objective and consistent** scores

- ✗ Possible bias
- ✗ Lack of concentration
- ✗ Variation between individual examiners
