Han Myo Htet

Expected to get A* in all his
subjects

University of Warwick

Progression to Medicine

Insworld International A-Level programmes offer excellent academic preparation for students who are interested in studying medicine or dentistry. Pearson Edexcel IAL specifications provide students with;

- depth and range of specialised subject knowledge they will need
- opportunities to develop essential evaluative and critical thinking skills

Insworld can also support students through with their applications to Medical Universities:

- guidance about choice of destination
- assistance with the application process
- help with Personal Statements
- help with UCAT
- conduct mock interviews

Insworld's Approach

☑ Personalised teaching

- Small Class Sizes (4 – 12 students)
- One-To-One Academic Support
- Personal Tutor

☑ Modular IAL Exams

- Each unit is taught and examined separately
- Students can take exams when they feel ready to perform at their best
- Opportunity to re-take exams to secure higher grade

Insworld's Approach

✓ Flexible Selection of Subjects

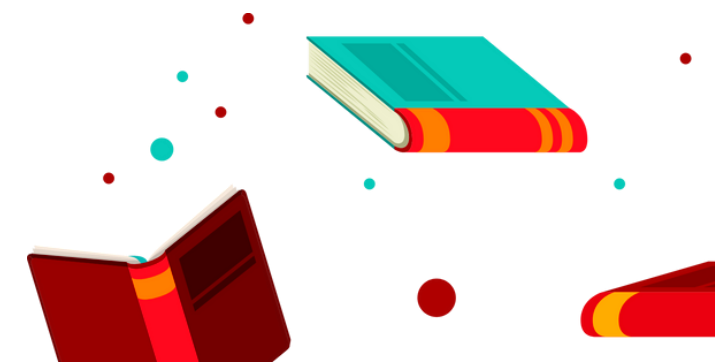

Students can choose the subjects that are most suited to their academic goals and interests

✓ Collaboration with Parents

Weekly and termly reports

- Close liaison with parents/guardians
- Contact with subject teachers

Programmes

The way we work allows secondary and high school students to progress from Lower Secondary to University in 4.5 years

- ✓ IAL – International A–Level/ GCE A–Level
- ✓ IGCSE – International General Certificate of Secondary Education
- ✓ EITP – Edexcel International Tuition Programme
- ✓ EAS – English for Academic Study

✓ IAL - International A-Level/ GCE A-Level

Academic programmes that are ideal for students who wish to prepare for entry to universities worldwide.

Students can choose to study any 3 or 4 subjects at A-Level
