

Jamaican Summers

Jamaican summers are so hot,
But all over Jamaica
People walk around saying
Dis is cool
Dat is cool
She is cool
Or he's so cool.

Jamaican summers are so hot,
Dat all over Jamaica
Parents are always saying
Drink yu coconut water
Drink yu kisko pops
Drink yu mountain water
Yu muss drink a lot.

Jamaican summers are so hot,
Dat all over Jamaica
People chill out in de shade
Sleep under trees
Or travel fe miles
To find cool breeze.

In Jamaica,
Very soon after summer
Comes de winter,
But beware
Let me give yu a warning me friend,
Jamaican winters are so hot.
