

# Jamboree Storytime

Teaching English the engaging way

# Give your children the best start at learning English

- Jamboree Storytime is an exciting, interactive series designed to introduce 3–5 year olds to English.
- Two levels of teaching materials including ebooks, big books, little books, interactive games, flashcards and sticker packs combine to make storytime come to life.
- Fun, play-based approach, with stickers, activities and puzzles.
- Eye-catching and engaging materials from sing-along karaoke melodies to stickers and puppets.
- Group games and activities to build confidence when speaking English.

## Materials available at each level

### **Pupil Material**

- 5 Little Books
- 5 Interactive CD-ROMs
- 5 Activity Books with Stickers
- Whole-level Activity Book
- Sticker Pack

### **Teacher Material**

- 5 Big Books
- Audio CD
- Puppet
- Teacher's Activity Guide
- (Arabic Activity Guide)

## Interactive CD-ROMs

- Ebook version of the story with animations and text off/on function so children can read and recall.
- Sing-along karaoke, interactive games, key words and key sentences, storytelling video and more to motivate and enhance children's classroom experience.
- British and American English both available on one CD to ensure suitability in all regions.

## Big Books and Little Books

- Lively and engaging stories
- Strong visual support
- Ebook version to complement guided and shared reading
- Author and illustrator notes
- Repetitive phraseology and phonics
- Wide range of class discussions and group activities

# Activity Books

Two editions available:

1. Two whole-level **Activity Books** (Level A and Level B), each covering the five stories at that level
2. Ten individual **Activity Books with Stickers**, each covering one story

The Activity Books contain:

- A range of text-related activities that engage all the senses
- Role plays and games which allow for greater creative expression
- Individual Activity Books also include stickers

## Activity Guides

- Available as **free pdf downloads** from our website
- Caters for both whole-level and individual Activity Books
- Clear, step-by-step **lesson notes and plans**, including timings
- Lists key words and pre-reading activities
- Provides photocopiable masters (PCMs)
- Fully references all page numbers and resources

# Audio CDs and puppets

## Audio CDs

- Contain a variety of readings, chants, rhymes and songs
- Aids pronunciation, stress patterns and intonation

## Puppets

- Strong visual aid to stimulate interest
- Encourages dialogue between children through role-plays

## Additional resources

### **Flashcard Packs (Level A and Level B)**

A4, full-colour flashcards provide an engaging way of learning phrases and vocabulary through visual aids and repetition.

### **Sticker Packs (Level A and Level B)**

Makes learning fun! Children can find imaginative ways to extend learning beyond the books and the classroom.

### **Arabic Activity Guides (Level A and Level B)**

Written in modern standard Arabic, the Activity Guides provide support to multi-lingual parents and guardians who wish to teach their children English.

# Thank you
