## Writing Test B

Write to your Spanish friend in Valencia. Include answers to the following questions. (3rd–6th Steps)

- **¿Qué tipo de música te gusta?**

*Say what type of music you like to listen to.*

*(You can develop your answer by using time expressions to say when you listen to music, for example 'from time to time'. You could also say what type of music you dislike and give reasons why.)*

- **¿Qué haces con tu móvil?**

*Say what you do on your mobile phone.*

*(You can develop your answer by stating the frequency of your activities, for example 'three times a week'. You could also mention other people, for example, by saying what your friend or a family member does on his/her mobile phone.)*

- **¿Qué tipo de programas prefieres?**

*Say what type of programmes you like.*

*(You can develop your answers by justifying your preferences. You could also compare different TV shows, for example 'reality shows are more boring than game shows'.)*

- **¿Qué hiciste ayer?**

*Say what you did yesterday.*

*(You can develop your answer by using both the present and the past tense to contrast what you normally do and what you did yesterday. You could also refer to activities that other people, for example, your friends, did yesterday.)*
