In my **opinion**, weekends are way too short.
 I have **no doubt** that three days would be better than two.
 If you **ask me**, four would simply be perfect.
 As far as I **know**, most of my friends would agree.
 I **bet that** I could fill them with fun activities.
 I'm **not certain** what my parents would think about it, though.
 I **believe** that they might find it difficult.
 I **suspect** that they wouldn't want me to hang around the house all day long.
 I'm **convinced** they'd worry about me not getting enough education.
 I **expect** they might be right.
 But I'm **quite positive** that they would enjoy longer weekends too.
