Pearson English Kids Readers are graded across 6 levels.

The complexity, scope and volume of written English within each book is **carefully graded at each level according** to a rigorous system unique to Pearson English Kids Readers.

The **grading system** considers the language which a learner is likely to have studied in class, or be able to understand from the context and illustrations.

The clear language guidelines mean levels can be accurately matched to the internationally recognised standards of the Cambridge Young Learners English Tests (CYLET).

The Global Scale of English and the Common European Framework of Reference

Pearson English Kids Readers are aligned to the Global Scale of English and Common European Framework of Reference.

The Global Scale of English (GSE) is the first truly global English language standard, allowing teachers to more accurately and easily measure learner progress.

Based on research involving over 6000 teachers from more than 50 countries, it extends the Common European Framework of Reference (CEFR) by pinpointing on a scale from 10 to 90 what needs to be mastered for the four skills of speaking, listening, reading and writing within a CEFR level, using a more granular approach.

Levels	CEFR	GSE*	CYLET	PTE YL
Level 1	<A1/A1	16-27	Starters	Firstwords
Level 2	A1/A2	22-32	Starters/Movers	Firstwords/ Springboard
Level 3	A1/A2	25-35	Movers	Springboard
Level 4	A1/A2+	27-38	Movers	Springboard/ Quickmarch
