I like watching a football match. I love going to the Morro da Mineira stadium! It's a very clever stadium. When the football players run, the stadium lights work. I can play football there, too! It's a lot of fun!

David, Rio de Janeiro, Brazil

My friends and I enjoy planting trees in our big city. Some of the places in our city look **boring**. We plant trees and then those places look **lovely**! We love trees! They're beautiful!
