

Versant by Pearson™ English Placement Test.

A smarter way to
test language skills.

This comprehensive test was specially designed for English language learners to automatically evaluate speaking, listening, reading, and writing skills by computer, with detailed score reports including current capabilities, and suggestions for improvement. Score mappings to common scales like GSE and CEFR make it easy to integrate results into your existing enrolment process.

Place students before the semester begins using our 50-minute Versant English Placement Test.

Accurate

With a 0.97 correlation, Versant test scores generated by the Ordinate testing system are virtually indistinguishable from expert human scoring, ensuring confidence in the results.

Reliable

With a split-half reliability of 0.97, Versant test delivers more consistent testing without the variability typical of multiple evaluators and locations.

Fast

24x7 test availability with results available within minutes.

Reports

Detailed score reports provide actionable suggestions.

Easy

Simple test administration in 4 easy steps.
