Activity 3: Reading comprehension

Read the following passage and answer the questions below.

"In an era where technology evolves rapidly, the way we communicate is constantly changing. Social media platforms have become a primary means of interaction, often replacing traditional face-to-face conversations. While this shift offers several advantages, such as instant connectivity and access to a global audience, it also presents challenges. For instance, the lack of non-verbal cues in digital communication can lead to misunderstandings."

Questions:

1. What is the main idea of the passage?
2. Name one advantage of social media communication mentioned in the passage.
3. What is one challenge of digital communication highlighted by the author?

Activity 4: Writing skills

Write a short paragraph (5–6 sentences) about the importance of effective communication skills in today's world. Use at least three of the vocabulary words from Activity 2.
