Writing Plan

My spare time

In my spare time, I do a lot of activities. I always play basketball after school on Mondays because I am in the school basketball team. Sometimes I play with my father at weekends. I practise bouncing the ball and shooting hoops with him. I want to be the best player in my school.

I often go swimming with my friends on Fridays. We go to the public swimming pool near our school. I enjoy swimming because I like spending time with my friends. Although it is cold in winter, I still go swimming every week.

The activity I find most interesting is ice-skating. I like watching ice-skating competitions on TV. I think ice-skaters look elegant and beautiful. I have ice-skating lessons on Sundays. I am not good at it but I enjoy learning new skills.
