The School Fun Fair

Last Saturday I went to the school fun fair with my parents and my cousin Tom.

We did a lot of things. First we bought some snacks at the food stalls – fish balls, chicken wings, popcorn and much more. They were yummy! Then we watched a puppet show. The puppets were funny. I enjoyed the show very much. After that we played in the jumping castle for an hour. It was tiring but fun! I enjoyed the face-painting booth the most. The painter drew a colourful butterfly on my face. I loved it! I didn't want to wash my face that night. 😊

This year's school fun fair was REALLY fun. I can't wait to go again next year.
