## What do you like doing in your spare time?

Let's see how two of our readers answered this question.

**Koji Suzuki, Japan**

I have many hobbies. For example, I like playing sports. My favourite sport is baseball. I usually play baseball with my classmates after school on Mondays. We often play at weekends too. My dad is also a baseball fan. We often watch baseball on TV together. We never miss our favourite team's matches!

I also like playing the drums. I sometimes perform in parades at summer festivals. Everyone claps and cheers for us. It is lots of fun!

My favourite hobby is reading comic books. I am crazy about them! When I grow up, I want to make a series of comics about baseball!
