Parts of the body and health

Worksheet 19

What's the matter?

Look at the pictures. What's the matter?
Talk to your partner.

What's the matter?

I've got a headache.

Now check in the *Longman Photo Dictionary*. Write the number.

I've got a sore throat.	I've got a headache.
I've got backache.	I've got toothache.
I've got stomachache.	I've got a cough.
I've got a cold.	I've got a temperature.

Now practise again with your partner.

Example: Student A *Mime a problem.*
Student B *Ask: What's the matter?*
Student A *Answer: I've got stomachache.*

What's your problem?

What are your family's problems?

Write some sentences.

Check the words in the *Longman Photo Dictionary*.

.....

.....

.....

Now tell your partner about your problem and your family's problems.

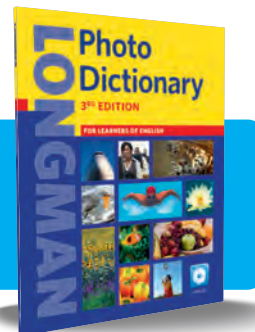

Look!

I've got a sore throat today.

My son **has got** a cold this week.

I **had** toothache last month.

My husband **had** a cold last week.
