

Engineering career options

Level	Academic	Vocational	Apprenticeship	Aerospace & Aviation	Rail Engineering	General Engineering	Manufacturing
7	Master's Degree		Post Graduate Engineer	Post Engineer Graduate	Rail and Rail Systems Principal Engineer	Systems Engineer	Post Engineer Graduate
6	Top Up Degree		Manufacturing Engineer	Aerospace Engineer	Rail and Rail Systems Senior Engineer	Graduate Engineer	Manufacturing Engineer
4-5	Foundation Degree Higher National Cert/ Diploma		Manufacturing Leadership	Certifying Engineer	Rail Engineering Advanced Technician	Advanced Technician	Manufacturing Leadership
3	A Level	BTEC National	Engineering Technician	Aerospace Fitter	Rail Engineering Technician	Mechatronics Maintenance Technician	Advanced Manufacturing Fitter
2	A Level	BTEC Tech Award BTEC First BTEC Technical	Engineering Operative	Military Mechanic	Rail Engineering Operative	Engineering Operative	Lean Manufacturing Operative
1	N/A	BTEC Level 1 Introductory	N/A or Traineeship	N/A	N/A	N/A	N/A
