Customised digital resources
delivered through your VLE
to support your students'
specific requirements

Helping you source engaging digital learning content

Finding top-quality digital learning resources to engage, support and stretch your students can be a time-consuming activity, as it often requires your or your students to wade through vast repositories of texts and content.

Equally, providing a simple and cost-effective way for students to access all of these materials can be a challenge.

That's why we've developed a flexible service that, unlike other asset libraries or resource banks, enables you to give your students access to the best digital resources for specific topics or modules, specifically tailored to your needs.

Pearson Study Bites lets you select the topic-based digital learning content you want your students to access and integrate it directly from your VLE to create a seamless and easily accessible learning journey for your students.

The service compiles high-quality digital content from across Pearson's extensive range of digital resources and includes conceptual explanations, multiple-choice questions, remedial content and revision materials.

So make the best use of you and your students' time while avoiding content overload and ask for a free consultation today. Request an appointment at custompublishing@pearson.com.

Resources are available for the following modules:

Contract	page 4	EU Law	page 5-6
Criminal	page 4	Land	page 6
Tort	pages 4-5	Public Law	page 6
ELS and Skills	page 5	Business Law	page 7
Equity Trusts	page 5		

The easy way to source, integrate and deliver essential and high-quality digital learning content via your VLE

Pearson Study Bites gives you an easily manageable way to source essential need-to-know content for your course – giving you more time to focus on supporting your students' engagement, progression and success.

How Pearson Study Bites works

Free consultancy service

With **Pearson Study Bites** you get the support of our free consultancy service. We help you select the type of resources that will help your students and fit your pedagogy, be it flipped seminar sessions, comprehension quizzes, etc. Together, we help you identify the areas you feel your students find particularly challenging or any gaps in the learning content for your modules that you may wish to fill.

Customise your selection

Comprised of materials from Pearson's extensive catalogue of high-quality digital resources, our unique resource packages can be selected at topic level, dismantled and then put back together to support your pedagogic model – giving you maximum flexibility to customise your resources to your department's needs.

Embed into your VLE

Then, with you firmly in the driving seat, we package your chosen resources according to your specific requirements, directly into your VLE so that you and your students can use the Pearson digital content directly from your VLE, with no need to log into a third party service.
