Learning Hub

Adult Care

Learning Hub is a digital learning platform that is designed to deliver an engaging, accessible, interactive and personalised learning experience for learners, educators and employers. It provides high-quality, bite-sized and mobile-optimised learning content, which supports:

- **Apprenticeships** – contains learning programmes with content mapped to the knowledge and behaviours outcome of apprenticeship standards
- **Employee development and skills training** – employers can use our online learning programmes to up-skill or re-skill their employees, for improved work practices and increasing personal effectiveness.

Why Learning Hub?

Learning Hub:

- enables increased learner engagement and knowledge retention
- delivers flexible training
- makes a measurable impact

Plus Learning Hub comes with comprehensive onboarding and user training support to ensure you and your learners get the most value out of the platform.

What learning programmes are available for Adult Care?

For apprentices:

Adult Care Worker Level 2

The learning content:

- is mapped to the **Adult Care Worker Level 2 Apprenticeship standard** and the mandatory requirements of the **BTEC Level 2 Diploma in Care qualification**
- covers the knowledge component of the qualification, including the personal attributes and behaviours expected of all Adult Care Workers (the 6 Cs) stated in the apprenticeship standard
- comes with interactive worksheets and assignments to allow learners to apply their knowledge in work environment

Lead Adult Care Worker Level 3

The learning content:

- is mapped to the **Lead Adult Care Worker Level 3 Apprenticeship standard** and the mandatory requirements of the **BTEC Level 3 Diploma in Adult Care qualification**
- covers the knowledge component of the qualification, including the personal attributes and behaviours expected of all Adult Care Workers (the 6 Cs) stated in the apprenticeship standard
- comes with interactive worksheets and assignments to allow learners to apply their knowledge in work environment

This learning content would also support any learner doing either of these BTEC qualifications independently of an apprenticeship

For care services and healthcare professionals:

The content can be used to:

- Induct new staff into the organisation, alongside your local induction programmes
- To upskill current staff with ongoing CPD as refresher
- Support volunteers connected to your organisation

Workplace behaviours and soft-skills training programmes

These programmes are designed to support employee soft-skills and behaviours development.

The content helps apprentices, learners and employees develop key transferable skills and behaviours that underpin personal effectiveness in their chosen career, while also allowing them to become more productive in their job role and better contribute to the success of their organisation.

There are 13 learning programmes which can be used independently or as part of an apprenticeship standard to support the requirements for behaviours and skills.
