

Back-to-school support from Pearson

As the return to school beckons, we're proud to continue supporting educators and families with making the most of learning. For every step of the journey, we're here to help...

Supporting you with looking to the year ahead

Spotlight on: what educators and families are looking forward to ▶

Navigating the impact of Covid-19

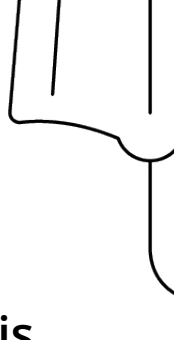

Our dedicated Covid-19 support hub ▶ is filled with guidance and tools to help schools and families minimise the impact of the pandemic on learning and wellbeing.

This includes support for home learning and parents and carers, as well as online learning and tutoring.

Supporting learning at every stage

Primary 4-11

Explore our range of resources, tools and services ▶ that captures imaginations and sparks curiosity:

- well-loved curriculum programmes and ActiveLearn Primary
- brand-new history and geography resources powered by ActiveHub
- subject-specific guidance, research and expert advice
- targeted intervention, revision and wellbeing support.

Online school tutoring

We provide online tutoring for schools looking to support pupils who would benefit from focused tuition. Our qualified UK teachers can help pupils of all abilities with targeting gaps in learning. We're also an approved partner of the National Tutoring Programme.

Find out more about tutoring ▶

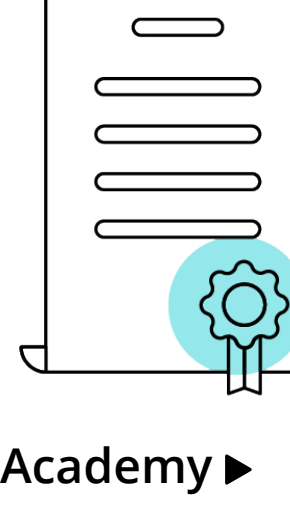

Secondary 11-19

Discover our range of qualifications, resources and services ▶ that help students get future-ready – from transition day to Results Day and beyond:

- flexible and blended curriculum programmes with ActiveLearn
- subject-specific guidance, research and expert advice
- targeted intervention, revision and wellbeing support.

Professional Development Academy

Our Professional Development Academy ▶ includes high-quality training courses designed to enable every educator to expand their knowledge, learn new skills and achieve their career aspirations.

Supporting learning everywhere

In the classroom

With our range of print, online and blended resources and services, there's plenty you can choose from and use to help you make the most of every lesson:

- Primary ▶
- Secondary ▶

Home learning

Our parent and learner zone is designed to help learning at home, with:

- primary parent and carer support ▶
- secondary parent, carer and student support ▶, including free GCSE support and resources
- tailored services for independent learning, such as **The Maths Factor** ▶ and **free online revision tools** ▶.

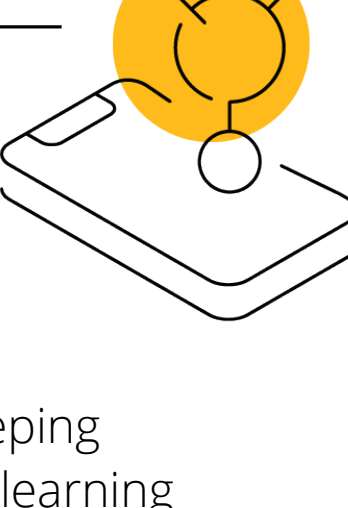

Online and blended learning

We're committed to keeping teachers, students and learning connected – whenever, however and wherever it happens.

Our digital learning and innovation hub ▶ includes:

- top tips for making the most of remote, online and blended learning
- research, events and expert guidance on what's next for edtech
- free trials and support for ActiveLearn.

Supporting learning for all

Accessibility

Everyone should be able to access their learning in a way that meets their individual needs.

Our **Accessibility space** ▶ includes:

- accessibility tips and guidance
- details of special requirements for exams
- British Sign Language Time with Action on Hearing Loss
- Succeeding with SEND – conversations with students and experts on their journey from diagnosis to success in education.

These are complemented by intervention and SEND support resources for **Primary** ▶ and **Secondary** ▶, plus **Clinical assessments for schools** ▶.

Aspiration

We believe everyone should be empowered to aspire and achieve without limits.

Explore initiatives to support schools and young people ▶ :

- Future Ready Hub
- Girls in Computing
- Apprentice 20 and BAME Apprenticeship Awards
- Young women and girls in STEM.

Diversity and inclusion

Everyone should feel represented and included in what they learn and have the same opportunities to achieve their potential and succeed throughout their lives.

Our **Diversity and inclusion hub** ▶ brings together tools created with schools and organisations to support inclusive education:

- Diversity in Schools Report
- LGBT+ inclusive curriculum guides by Stonewall and Pearson
- gender equality resource guidelines
- subject-specific resources, initiatives and events.

Supporting you and your school community

The Wellbeing Zone

We're passionate about working with educators to create a culture of positive wellbeing and mental health in schools. **The Wellbeing Zone** ▶ includes:

- teacher and parent advice from Clinical Psychologist Dr Helen Care on helping anxious children and teenagers
- mindfulness guides and resources
- wellbeing support
- our mental health support in schools toolkit.

Specialist services from Mable Therapy

We understand the challenges of supporting learners with speech and language or mental health issues. That's why we've partnered with Mable Therapy to provide **specialist services** ▶, including:

- speech and language therapy
- counselling
- online assessments for students
- professional development courses.

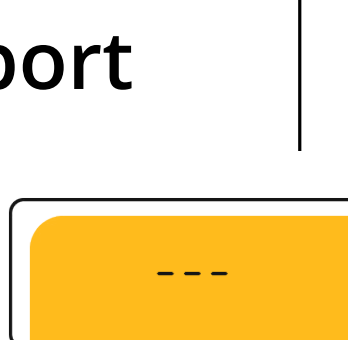

Weaving Well-Being

Weaving Well-Being ▶ is a positive mental health programme that aims to enhance wellbeing in primary pupils within the frameworks of the UK personal health and education curricula.

Parent, carer and student support

Our dedicated **parent and learner pages** ▶ are filled with activities, tips and guidance to support learning anytime, anywhere.

Supporting you all year round
