

Woodlea Primary School

What the pupils at Woodlea Primary School think about tutoring.

I have definitely improved since lockdown as I am getting more time with the subject.

– Matthew

“

Tutoring is easier than being in class because we can talk more about the work

– Oliver

“

I have learnt about dividing and multiplying fractions. I am much more confident with that now!

– Sophia

“

I love tutoring! I like how every activity is fun and I like it because it's not just like the average English lesson. I like how it's on the laptop too!

– Jasmine

I am much faster with my Maths in class now!
