

New Pearson Edexcel GCSE French, German and Spanish from 2024

Would you like to know more about our brand-new GCSE French, Spanish and German qualifications for first teaching in 2024? Would you like to **review the materials and contribute** to creating the qualification that's best for you? Over the past year we have consulted learners, teachers and MFL leads across the UK to produce a qualification that truly reflects the **diverse needs and lives of today's learners**, equipping them with the skills and knowledge needed for life and careers in a global setting.

Qualifications that speak your language

The research we do with you helps us to develop language GCSE qualifications that aim to:

- ✓ reflect and represent diverse student experiences **with relatable, real-world content**
- ✓ assess all students in a **clear, straightforward and accessible** way, focusing on their learned language skills
- ✓ provide a qualification **structure that teachers have helped develop** and prefer to use

Working together

Extensive research informs every aspect of our new qualifications, from the overall assessment structure to the content and themes, and the individual question styles. We work with you every step of the way to ensure students will be able to perform to the best of their ability.

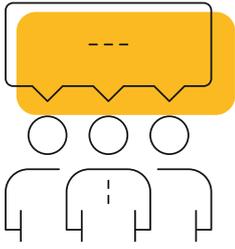

We'd now like to ask you to get involved in the ongoing work to shape the assessment and content of the qualifications.

Register your interest in future research

We will continue to consult with teachers and learners throughout the life of the qualification to make sure it is the best it can be. You can see examples of the ways we can work together below. Please get in touch if you would like to find out more about how you can contribute to future research.
