

# Learning Hub

Learning Hub is a digital learning platform that is designed to deliver an engaging, accessible, interactive and personalised experience for learners.

Learning Hub provides high quality bite-sized and mobile-optimised learning content which supports:

- ▷ **Apprenticeships** - the content is mapped to the knowledge and behaviours outcome of apprenticeship standards
- ▷ **Workplace behaviour and skills development that employers value** - employers can also use the learning content to upskill or reskill existing employees in their soft-skills development necessary for their current roles

The screenshot shows a course page for 'Building Emotional Resilience'. The top navigation bar includes 'Course', 'Assignments', and 'Extended Learning'. The breadcrumb navigation shows 'Course > Resilience > (Building Emotional Resilience) > (Building Emotional Resilience)'. Below the title, a descriptive text reads: 'In the modern work climate being resilient is more important than ever. Here we will provide you with emotional tools to build your inner strength and bounce back from the inevitable disappointments in your career.' A 'You will learn:' section lists the following bullet points:
 

- Resilience is the ability to handle pressure and deal with setbacks
- The factors that determine a person's resilience
- You can build resilience by coming through adversity
- Being self-aware helps, which means taking critic

The screenshot shows the 'My Courses' page. At the top, there is a search bar and a 'Courses' tab. Below the search bar, there are four course cards:

# Why choose Pearson Learning H...

Whether you choose the Pearson Learning Hub to support learners on apprenticeships or for developing employee workplace behavioural skills, these are just some of the benefits for all learners:

- ▷ **Increased content retention** - the visually stimulating and interactive bite-size content maximises learner engagement and content retention and give learners control over their learning
- ▷ **Accessible from desktop or mobile** - 'accessible learning; anytime, anywhere'
- ▷ **Helps learners develop personal effectiveness** - the learning content focuses on exploring and nurturing behaviours and transferable skills and helps improve personal effectiveness in the modern workplace
- ▷ **Enables learners to assess their own learning programme** - the learning content includes short interactive quizzes with immediate feedback enabling learners to assess their own learning progress
- ▷ **Consolidate and strengthen learning** - learners can view the content as many times as they need to in order to consolidate and strengthen their learning.

For training providers and employers delivering apprenticeships

- ▷ **Content mapped to the knowledge and behaviours outcomes of apprenticeship standards** giving you and your employers the reassurance that learners are developing and/ or applying relevant behaviours and knowledge in the workplace
- ▷ **Enrich and enhance on-programme learning** - the learning content is mapped to Pearson on-programme apprenticeship qualifications offering you the opportunity to enhance your on-programme learning delivery
- ▷ **Support for managing and delivering 20% off-the-job training** - our easily accessible reporting supports the monitoring and reporting of the 20% off-the-job training requirement
- ▷ **Enables more effective use of contact time with learners** - the learning content is accessible 24/7, reducing the time spent on passing on knowledge which means that more high value learning activities can take place during direct contact time

With many years' experience in designing and developing learning content and assessment, you can trust Pearson to deliver high quality content that is fully aligned to your curriculum and provides a solid foundation for an engaging and effective learning experience.

- ▷ **Facilitates a blended learning approach** - less time is spent on lesson planning, development of formative assessments and assessing learning, making delivery more efficient
- ▷ **Maximises the use of teaching staff time** which means that more direct contact teaching time can be directed to other areas where most needed, such as lower levels or technical areas where there is a shortage of staff.

- ▷ **Flexible access to learning** - online access to content means learners do not have to leave their work site to engage in learning and are able to be flexible in completing any work required
- ▷ **Have greater involvement in off-the-job learning development** - 24/7 access to the learning content provides the opportunity for managers and workplace mentors to view learning materials and be more involved in their learners off-the-job learning development

**The first apprenticeship standards that will be available on Pearson Learning Hub are:**

- ▷ Team Leader / Supervisor Level 3
- ▷ Adult Care Worker Level 2
- ▷ Lead Adult Care Worker Level 3
