This guide is not compatible with Learning Management Systems (LMS). If you are teaching with a LMS, such as Blackboard, Brightspace by D2L, Canvas, or Moodle, use our [LMS guides](#) to get started

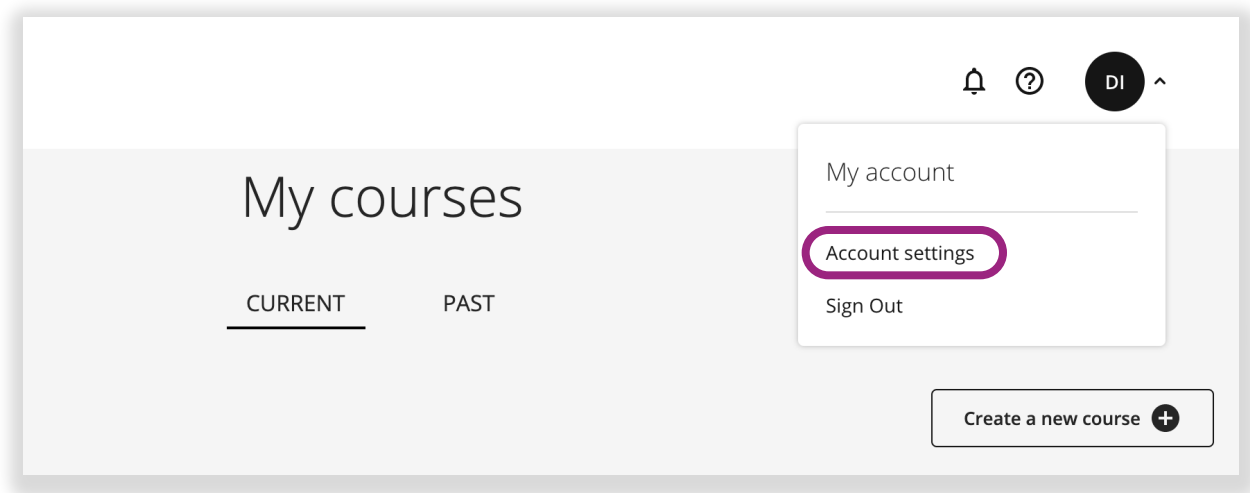

Create your course

To get started with your new Pearson course, go to <https://console.pearson.com/signin> and sign into your Pearson account. If you don't have a Pearson account, [create a new Pearson account](#). Once you sign into your Pearson account, you'll be able to start creating and setting up your new course.

STEPS

1. First, make sure to associate an institution with your Pearson account. Select your account avatar from the My courses page and select **Account settings**.

2. You'll be asked to sign into your account using your Pearson username and password before gaining access to your account settings. Go ahead and enter your account credentials to continue.

Create your course

3. Locate **Institutions** under Account. Select the pencil icon to add or edit your institution.

Institutions Your current default institution is marked with a checkmark. ✓

✓ Pearson Internal Test - Centennial, CO, USA

4. Use the **New Institution** field to search for your institution.

Note: If you're using Revel Seamless, your selected institution will be the institution associated with your Revel Seamless course.

Institutions The institution you select will be the default one used if you create courses. If your default institution is not listed, enter a new institution name. Tip: You can't delete any institution associated with a course in progress.

☐ Pearson Internal Test - Centennial, CO, USA

☒ OHIO STATE UNIV - MAIN - Columbus, OH, USA

6. Use the search field to search for your Pearson materials by title, author, ISBN discipline, or keyword. If you want to create a Live Response course, search *"Live Response."*

The screenshot shows the Pearson search page. At the top left is the Pearson logo. To the right are icons for notifications, help, and a user profile labeled 'DI'. The main heading is 'Search for Pearson materials'. Below this is a search bar with a magnifying glass icon and the placeholder text 'What can we help you find?'. Under the search bar is a link that says 'Copy another instructor's materials'.

7. Select the course materials from the search results you'd like to use in your course.

The screenshot shows the search results for 'Music'. At the top is a search bar with 'Music' entered. Below the search bar are filters for 'Humanities & Social Science', 'Math & Science', and 'Professional & Career'. To the right is a location filter: 'Pearson Internal Tes ... - CENTENNIAL, CO, Usa'. Below these are tabs for 'All', 'Courses', 'eTexts', and 'Applications'. The results section shows 'Showing 1 - 24 of 99 Results'. There are two results listed. The first is 'Revel Listen to This, 4e' by Mark Evan Bonds, with a description: 'Listen to the music. Hear the elements. Connect your playlist. Revel™ Listen to This is designed to connect students' interest in the music ...'. It has a 'Revel' logo, ISBN 13: 9780134419794, and a cost of 69.99 USD. The second result is 'Revel Rockin' Out: Popular Music in the U.S.A., 6e' by Reebee Garofalo, Steven Waksman, with a description: 'Examine the social and business sides of rock history REVEL™ for Rockin' Out: Popular Music in the U.S.A. analyzes the music and business of ...'. It also has a 'Revel' logo, ISBN 13: 9780134319919, and a cost of 69.99 USD. The second result is highlighted with a purple rounded rectangle.

Create your course

Note: If you are using Revel Seamless, look for the Institutional Direct Access offer for your Revel text. Contact Pearson if you don't see Institutional Direct Access but should have Seamless content.

Create your course

- 10.** Your new course is ready. Your new course will appear in your Course Materials, along with your other Pearson courses.

Teaching more than one course? Repeat these steps to create additional Pearson courses. It's also a good idea to bookmark the Pearson course sign-in page: console.pearson.com/console/home. Bookmarking the sign-in page will make getting back to your Pearson courses that much easier.

Copy your course

If your Pearson course is not paired with a Learning Management System, you can copy Pearson courses you've used in the past. Most course and assignment settings will transfer over to your new copy of the course, making it fast and easy to get set up for a new term.

STEPS

1. Select course menu and choose **Copy Course**.

The screenshot shows the Pearson 'My courses' dashboard. At the top, there's a Pearson logo and navigation icons. Below the 'My courses' title, there are tabs for 'CURRENT' and 'PAST'. A 'Show courses I'm' filter shows 'Taking' and 'Teaching' buttons. A 'Create a new course' button with a plus icon is on the right. Three course cards are displayed: 'Composition 101' (Writing and Reading Across the Curriculum), 'Music 101' (ROCKIN' OUT), and 'Music Fundamentals' (DISCOVER JAZZ). Each card has an 'Invite Students' link and an 'Open Revel' button. The 'Music 101' card has a menu open with options: 'Settings', 'Roster', 'Materials', and 'Copy Course' (which is highlighted with a red circle).

Copy your course

2. Fill in your course information and select **Copy** to finish setting up a new copy of your course. The new copy of your course will be available in your My courses, along with your other Pearson courses.

Invite students to your course

Before students can register for your Pearson course, you must invite your students to join your course by sending them a Pearson course Invite Link. Once your students receive the Invite Link, they can select the link to join and register for your Pearson course.

STEPS

1. Select **Invite Students** on the Pearson course tile.

The Invite Links are unique to each Pearson course. Make sure that you are selecting Invite Students for the correct Pearson course before sharing the Invite Link with your students.

Invite students to your course

2. Copy the link address or the link address with instructions and send to all students who need to join your Pearson course. Select **Copy Link** to copy the Invite Link only. Select **Copy Instructions** to copy both the Invite Link and a set of instructions to help students understand how to use the Invite Link.

Link address

<https://console.pearson.com/enrollment/fxtpym>

Important: This link address is only for this course section and its materials.

Copy Link

Link address with instructions

It's time to access Revel Rockin' Out: Popular Music in the U.S.A., 6e, the course materials for Music 101.

When you're ready, join your course at:
<https://console.pearson.com/enrollment/fxtpym>

If you need help, check out these Revel student resources:
<https://www.pearsonhighered.com/revel/students/support/>

Here's more information for your course section:
Course start date: Jul 14, 2021
Course end date: Dec 31, 2021

Copy Instructions

We recommend sharing the Invite Link via email, as a post on your Learning Management System, or a digital syllabus. Repeat these steps to invite students to other Pearson courses you're teaching this term.

Now you're all set! Select your Pearson course to launch the course and start interacting with students and preparing your assignments. Detailed information about your Pearson course materials is in our help pages. Access the help pages by selecting Help  in your course.

Student registration

To make the registration process easier for you and your students, we've created presentations, handouts, and videos to help your students access, register, and enroll in your Pearson course. Please feel free to share these resources with your students. They can use these resources as a guide to help them register for your course successfully.

[Get Started with Pearson](#) - a presentation which guides students through the Pearson registration process. Includes a link to a registration handout and a video on how to register for a Pearson course.

[Register for Your Pearson Course](#) - a one-page student registration handout which covers how to register for a Pearson course as a student. This handout is also linked within the presentation.

[Get Started with Revel Video](#) - a 4-minute video on how to register for a Pearson course as a student. This video is also linked within the presentation.

Go mobile with your Pearson course

Once your students register for your Pearson course, they will have the option of accessing the course from their smartphone via the Pearson Revel app, the Pearson eText app, or the Pearson Live Response app, depending on which course materials you are using in your course.

Revel

Students enrolled in Pearson Revel can access the course through the [Revel app](#).

[Watch a 1-minute video on how students get set up with the Revel App](#)

Pearson+

Students enrolled in Pearson courses can access the course the Pearson+ app.

Live Response

[Live Response](#) is a Progressive Web App (PWA) which blends a browser and mobile experience into one. Students can add Live Response to the Home Screen of any mobile device for easy access.

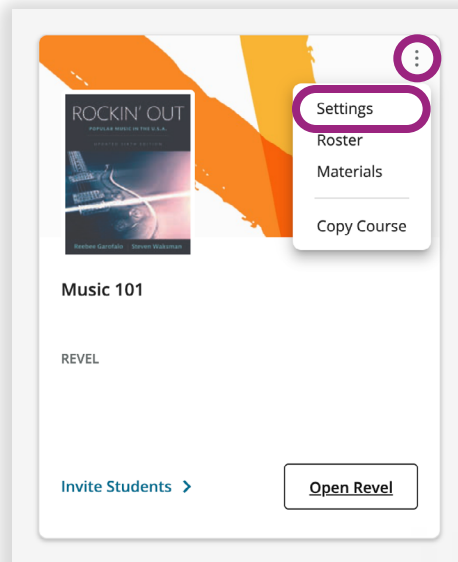

Share your course

You have the option to allow other instructors to copy your Pearson course.

STEPS

1. Select the course menu and choose **Settings**.

2. Select the checkbox to allow your course to be copied. A share code will generate. An instructor will need this code to copy your course. Choose **Save** to save your settings.

☒ Allow this course to be copied by another instructor

Share the code with the instructor who wants to copy this course

3. The instructor wanting to copy your course will need the share code for your course. Once you've shared the Share Code with them, the instructor will need to select **Copy another instructor's materials** during the course-creation process.

Search for Pearson materials

🔍 *What can we help you find?*

Copy another instructor's materials

4. The instructor will then select **Find** to locate copy options for your course. The instructor will then follow the prompts to create a copy of your course.

Copy another instructor's course

I will be teaching this course at (required)

Pearson Internal Test - Centennial, CO, USA

Enter or paste a code to copy materials and other details from another instructor's course:
