

Math Readiness and Transition Courses to Support the Postsecondary and Workforce Readiness Act

SAVVAS

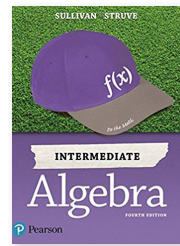

Illinois Educators:

As a result of the Postsecondary and Workforce Readiness Act in Illinois, high schools will be implementing new math courses for students including Transitional Mathematics. Pearson has collaborated with a number of local community colleges during the pilot phase. We asked what you needed for a successful program, and this is what you told us:

Math Lit: A Pathway to College Mathematics

Almy, Foes
2nd ed ©2017

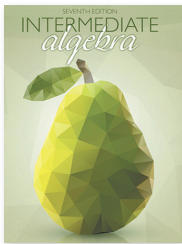

Intermediate Algebra

Sullivan, Struve
4th ed ©2018

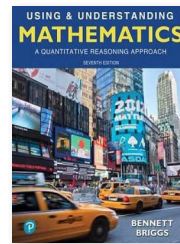

Description	ISBN
Student Worktext + MyMathLab for School w/etext (1-year access)	9780134304083
Student Worktext + MathXL for School (1-year access)	9780135284520
3 years of Student Worktext + MathXL for School (3-year access)	9780135284537
Instructors Edition	9780134438955

Description	ISBN
Student Edition + MathXL for School (1-year access)	9780135841310
Student Edition + MathXL for School (6-year access)	9780135841341
Student Edition + MyMathLab for School w/etext (1-year access)	9780135841389
Student Edition + MyMathLab for School w/etext (6-year access)	9780135841266

Intermediate Algebra

Martin-Gay
7th ed ©2017

Using & Understanding Mathematics: A Quantitative Reasoning Approach

Bennett, Briggs
7th ed ©2019

Description	ISBN
Student Edition + MathXL for School (1-year access)	9780134644981
Student Edition + MathXL for School (6-year access)	9780134644998
Student Edition + MyMathLab for School w/etext (1-year access)	9780134605081
Student Edition + MyMathLab for School w/etext (6-year access)	9780134618227

Description	ISBN
Student Edition	9780134705187
Digital Only MyMathLab for School w/etext (1-year access)	9780134716053
Student Edition + MyMathLab for School w/etext (1-year access)	9780135168219
Instructor Edition	9780134705224

Savvas is proud to
partner with Pearson
to offer the best in
AP, honors, and
electives products.

MyMathLab for School

Looking for a digital-only solution?

Choose **MyMathLab® for School** and you can access all of these and hundreds more. See the following page for more details and to access a demo account.

MathXL for School

MathXL® for School is a powerful online homework, tutorial, and assessment supplement aligned with Pearson Education's texts in mathematics or statistics. MathXL for School is the homework and assessment engine that runs **MyMathLab for School**.

With **MathXL for School**, teachers can do the following:

- Create, edit, and assign auto-graded online homework and tests correlated to the text
- Use automatic grading to rapidly assess students' understanding
- Track both student and group performance in an online gradebook
- Prepare students for high-stakes testing

With **MathXL for School**, students can do the following:

- Complete their homework and receive immediate feedback
- Get self-paced assistance on problems in a variety of ways (guided solutions, step-by-step examples, video clips, and animations)
- Choose from a large number of practice problems, helping them master a topic
- Receive personalized study plans and homework based on test results

MyMathLab for School

Take things further with **MyMathLab for School**. This option builds on all of the features of **MathXL for School**, but adds valuable resources such as:

- Full etext access, including via mobile devices
- Multimedia library
- Built in instructor resources
- and more!

Preview these courses today!

Use the login information on the right to demo these courses on both **MathXL for School** and **MyMathLab for School**.
