Expanding choices and opportunities

Pearson Connexus™ offers over 700 proven, standards-based courses* for a variety of levels and instructional strategies. Select from our wide range of content to make the most of your available resources and meet the needs of every learner right where they are.

Core Courses
Core courses are standards-based courses in which students work independently and sequentially through the courses guided by both system- and teacher-generated feedback and grading. Teachers monitor student performance and differentiate instruction to support student learning.

Core courses are ideal for first-time instruction, situations in which “time in course” is important, and for the fulfillment of NCAA rules and regulations.

Foundations Courses
Foundations courses are standards-based, courses adjusted to give students greater support on core concepts and provide additional practice and review.

In addition to Grade 9–12 Foundations courses, Essential Math courses are offered in Grades 3–8 to provide students with added support in prerequisite concepts and skills.

Advanced Courses
Advanced courses are comprised of Advanced Placement (AP®), Honors, and Gifted and Talented courses.

• AP courses include college-level work to help students prepare for the Advanced Placement exam and earn college credit.

• Honors courses in Grades 9–12 provide students with rigorous assignments for enrichment and honors credits. Teachers engage students in discussion and facilitate independent exploratory projects.

• Gifted and Talented courses in Grades 3–8 provide students with above-grade-level content, project-based portfolios, and assignments with increased cognitive rigor.

Elective Courses
Elective courses are sequential, standards-based courses that provide students with opportunities to extend their learning in areas of interest or focus. Elective offerings span multiple subject areas, such as the arts, STEM, world languages, and Career & Technical Education (CTE). CTE electives may focus on a variety of career clusters and/or pathways.

Credit Recovery Courses
Credit recovery courses are standards-based courses designed to support students in the mastery of essential objectives and the recovery of required credits.

Students begin each full-length course with a pre-test to check for mastery of previously presented skills and objectives. Based on pre-test results, students then proceed on a personalized, prescriptive lesson pathway as they progress through the course. Teachers monitor students' progress through the student-directed courses, which require little to no teacher feedback or grading.

Pearson Connexus can also deliver some Credit Recovery courses through a flex pathway, allowing teachers to direct students to lessons non-sequentially. These courses are ideal for self-paced remediation and supplemental online curriculum for teachers who want to fold blended learning into their courses.

# 9-12 Courses

## Mathematics
- Advanced Algebra w/Financial Applications A/B
- Algebra 1 A/B
- Algebra 2 A/B
- Calculus A/B
- Consumer Math A/B
- Explorations in Mathematics A/B
- Geometry A/B
- Integrated Math
- Integrated Math 1
- Integrated Math 2
- Integrated Math 3
- Integrated Math 4
- Math Models with Applications
- Pre-Algebra A/B
- Pre-Calculus A/B
- Statistics A/B
- Trigonometry

## Language Arts
- English 9 A/B
- English 10 A/B
- English 11 A/B
- English 12 A/B

## Science
- Biology A/B
- Biotechnology
- Chemistry A/B
- Earth Science A/B
- Integrated Physics and Chemistry
- Physical Science A/B
- Physical Science - Chemistry
- Physical Science - Physics
- Physics A/B

## Social Studies
- American Government A/B
- American History
- Economics
- Geography
- Geography and Society
- Government
- U.S. Law and Politics
- United States History A/B
- World Geography
- World History A/B

## Advanced Placement
- AP Art History A/B
- AP Biology A/B
- AP Calculus AB A/B
- AP Calculus BC A/B
- AP Computer Science A/B
- AP English Language and Composition A/B
- AP English Literature and Composition A/B
- AP Environmental Science A/B
- AP Human Geography A/B
- AP Macroeconomics
- AP Microeconomics
- AP Psychology
- AP Spanish Language A/B
- AP Statistics A/B
- AP United States Government
- AP United States History A/B

## Electives
- Accounting I
- Accounting II
- Administrative Duties and Office Management
- Anatomy and Physiology
- Business Communication
- Business Information Systems
- Business Keyboarding
- Business Law
- Business Math
- Career and Technology Skills
- Career Planning and Skill Development
- Computer Literacy
- Cosmetology
- Criminal Investigation
- Criminology
- Developmental Writing
- Emergent Computer Technology
- Fashion and Interior Design
- Forensic Science I
- Forensic Science II
- Health, Safety, & Nutrition
- Hospitality and Tourism
- Human Resource Management
- International Business
- Internship & Work Study
- Introduction to Communication
- Introduction to Computer Applications
- Introduction to Criminal Justice
- Introduction to Culinary Arts
- Introduction to Early Childhood Education
- Introduction to Finance
- Introduction to Graphic Design
- Introduction to Homeland Security
- Introduction to Law
- Introduction to Manufacturing
- Introduction to Medical Assisting
- Introduction to Social Media
- Introduction to Sociology
- Introduction to Paralegal Profession
- Introductory Astronomy
- Java® Programming I
- Java Programming II
- Law and Order
- Leadership and Supervision in Business
- Medical Law and Ethics
- Medical Terminology
- Principles of Management
- Principles of Marketing
- Principles of Public Service
- Public Speaking
- Research Methods
- Social Media
- Sociology
- Sports & Entertainment Marketing
- Sports Management
- Theater, Cinema, & Film Production
- Veterinary Science

## Electives (Cont.)
- Accounting I
- Accounting II
- Administrative Duties and Office Management
- Anatomy and Physiology
- Business Communication
- Business Information Systems
- Business Keyboarding
- Business Law
- Business Math

- Forensic Science II
- Health, Safety, & Nutrition
- Hospitality and Tourism
- Human Resource Management
- International Business
- Internship & Work Study
- Introduction to Communication
- Introduction to Computer Applications
- Introduction to Criminal Justice
- Introduction to Culinary Arts
- Introduction to Early Childhood Education

## Key
- **C**: Core Course
- **F**: Foundations Course
- **A**: Advanced Course
- **E**: Elective Course
- **CR**: Credit Recovery Course

*Courses listed as A/B can be taken individually as a semester course or together as a year long course.*
### Electives (Cont.)

#### General
- Critical Thinking and Study Skills
- Personal and Family Finance
- Thinking and Learning Strategies

#### Health & PE
- Health Science: The Whole Individual
- Health Science II: Patient Care and Medical Services

#### Humanities
- Anthropology 1
- Anthropology 2
- Art History A/B
- Art History and Criticism
- Art in World Cultures
- Digital Photography
- Digital Photography II
- Fundamentals of Art
- Fundamentals of Art Appreciation
- Fundamentals of Art History
- Introduction to Anthropology
- Introduction to Drawing
- Living Music I
- Living Music II
- Music Appreciation
- Philosophy
- Photography: Drawing with Light

#### Language Arts
- Creative Writing
- Fundamentals of English Composition
- Gothic Literature
- Introduction to Grammar and Composition
- Journalism A/B
- Mythology and Folklore
- Reading for College Success
- Speech and Debate

### Electives (Cont.)

#### Mathematics
- Financial Literacy

#### Science
- Astronomy
- Earth Space Science A/B
- Environmental Science A/B
- Great Minds in Science
- Marine Science A/B

#### Social Studies
- Archeology
- Current Events
- History of the Holocaust
- Human Geography
- Introduction to Psychology
- Introduction to Women’s Studies
- Personal Finance
- Personal Psychology
- Psychology A/B
- World Religions

#### Other
- Culminating Project
- Driver’s Education
- Freshman Focus
- Life Management Skills
- Peer Counseling
- Real World Parenting
- Service Learning Project I
- Service Learning Project II
- Service Learning Project III
- Service Learning Project IV
- Social Problems I
- Social Problems II

### Electives (Cont.)

#### World Languages
- Chinese I A/B
- Chinese II A/B
- Chinese III A/B
- French I A/B
- French II A/B
- French III A/B
- French IV A/B
- German I A/B
- German II A/B
- German III A/B
- Japanese I A/B
- Japanese II A/B
- Latin I A/B
- Latin II A/B
- Latin III A/B
- Sign Language I A/B
- Sign Language II A/B
- Spanish for Spanish Speakers A/B
- Spanish I A/B
- Spanish II A/B
- Spanish III A/B
- Spanish IV A/B

### Health & PE
- Health
- Health, Fitness, and Nutrition A/B
- Personal Fitness
- Personal Health and Safety with Sex Education
- Physical Education
- Physical Education I
- Physical Education II
- Physical Education III

### Test Prep
- ACT® Prep Courses and Practice Tests
- College Prep with ACT
- College Prep with SAT®
- GED® Language Arts
- GED Mathematics
- GED Preparatory Courses and Practice Test
- GED Science
- GED Social Studies
- SAT Preparatory Courses and Practice Test

### Assessment

- Basic Achievement Skills Inventory™ (BASI)

### Key
- Core Course
- Foundations Course
- Advanced Course
- Elective Course
- Credit Recovery Course

Courses listed as A/B can be taken individually as a semester course or together as a year long course.
