

The Connections Education of Florida, LLC Student Completion Rates for grades K-12 Virtual Instruction Program (VIP) for the 2017-18 school year were calculated by including any student who was enrolled in a Connections Education of Florida course (both single term or all year) for more than 14 days (Courses Attempted) in a full-time VIP Program. The chart below shows how many students completed the course (Complete and Percent Complete) vs. those who did not complete the course (Not Complete), and the number and percentage of students who *successfully* completed the course (passing grade). Where there were fewer than 10 students, data is suppressed consistent with ESSA reporting rules for Florida.
