

Workforce Skills Transcription

[EMMA] Hi everyone my name is Emma. I'm a first year visual effects student studying at Escape Studios.

00:07

[ESCAPE STUDIOS STUDENT] I'm studying the art of video games.

00:08

[ESCAPE STUDIOS STUDENT] I'm studying visual effects.

00:14

[NAOMI DARDAI] I'm a healthcare assistant. I'm doing a BTEC in health and social care.

00:18

[WAYNE MICALLEF] I have an apprenticeship as a maintenance technician.

00:22

[MAX WHITLOCK] I'm a gymnast and I did BTEC sport.

00:27

[FLEX] It transfers you from a classroom out into the real world.

00:30

[NAOMI DARDAI] It leads you directly to a job and it teaches you skills that you can use in your job making you feel more confident.

00:39

[WAYNE MICALLEF] I can learn and earn which is the best possible outcome for me.

00:43

[FLEX] Adaptability was key for me the chance to try so many different aspects of a qualification or of a job before you actually get there.

00:51

[DUSTIN HENNING] Once I finished my real, I had a job in two weeks or so.

00:58

[JAKE BERRY] BTEC has given me a great start in my career. It provided that foundation that I can only just build on from now on.

01:06

[FLEX] When we're a youtuber we average about somewhere between 15 to 20 million views a month.

01:11

[HUGH MCMURTRIE] I'm an agricultural contractor, we keep the country going.

1:13

[BTEC STUDENT] For me BTEC was a no-brainer.
