

>> Now me personally, the way I like to study is in study groups. And that's going to be --

^M00:00:06

very difficult because I'm in a different state now.

^M00:00:10

But I'm still going to try my best to keep that up by using resources and materials such as --

^M00:00:18

FaceTime, Zoom calls, all of that stuff where I can still remain productive with my group of friends, even though we're on, in remote locations.
