

00:00:06:11 - 00:00:07:11

I'm Terri Moore.

00:00:07:11 - 00:00:08:13

And like you,

00:00:08:13 - 00:00:10:02

I'm finishing my spring term

00:00:10:02 - 00:00:11:09

and looking towards

00:00:11:09 - 00:00:12:15

building my summer

00:00:12:15 - 00:00:14:12

and even my fall classes.

00:00:14:12 - 00:00:16:05

And I'm reviewing my students' progress

00:00:16:05 - 00:00:16:22

right now.

00:00:16:22 - 00:00:18:06

I want to know if what I did

00:00:18:06 - 00:00:18:24

this term worked

00:00:18:24 - 00:00:20:10

well or if there's something I could do

00:00:20:10 - 00:00:22:08

better in the next term.

00:00:22:08 - 00:00:24:00

And so I'm interested in reviewing

00:00:24:00 - 00:00:25:22

some of the basics of Revel

00:00:25:22 - 00:00:26:23

to see how to implement

00:00:26:23 - 00:00:28:00

maybe some new features

00:00:28:00 - 00:00:30:16

I've not used my courses before.

00:00:30:16 – 00:00:32:10
I have several live webinars

00:00:32:10 – 00:00:32:20
coming up

00:00:32:20 – 00:00:34:04
in May – Review

00:00:34:04 – 00:00:35:19
to Renew, Assigning

00:00:35:19 – 00:00:36:18
+ New Features,

00:00:36:18 – 00:00:38:10
Quizzing and Retention.

00:00:38:10 – 00:00:39:04
I'd be delighted

00:00:39:04 – 00:00:39:24
for you to attend

00:00:39:24 – 00:00:41:23
and discuss your best practices in Revel

00:00:41:23 – 00:00:43:00
during these times.

00:00:43:00 – 00:00:45:15
Or there are several on-demand resources

00:00:45:15 – 00:00:46:18
that might help you engage

00:00:46:18 – 00:00:47:14
with your students more

00:00:47:14 – 00:00:48:14
fully using Revel.

00:00:49:13 – 00:00:50:04
Thank you so

00:00:50:04 – 00:00:51:06
much for your time today

00:00:51:06 – 00:00:52:18

and hope you find these resources

00:00:52:18 – 00:00:53:07
helpful.

00:00:53:07 – 00:00:55:03
Have a great term.
