00:00:00,000 --> 00:00:04,237
(soft music)

2
00:00:04,237 --> 00:00:07,340
Here's the MyLab IT NextGen Assignment Manager.

3
00:00:07,340 --> 00:00:08,708
It's a major upgrade.

4
00:00:09,743 --> 00:00:11,211
Today, it's easier than ever

5
00:00:11,211 --> 00:00:12,879
to rename assignments

6
00:00:12,879 --> 00:00:13,980
and to reorder them.

7
00:00:15,548 --> 00:00:16,816
Tagging specific assignments

8
00:00:16,816 --> 00:00:17,884
is also easier

9
00:00:19,085 --> 00:00:20,487
and the calendar functionality

10
00:00:20,487 --> 00:00:21,955
is more robust

11
00:00:21,955 --> 00:00:23,723
with a faster search capability.

12
00:00:24,591 --> 00:00:25,458
Assigning and setting

13
00:00:25,458 --> 00:00:26,893

dates is straightforward

14
00:00:27,994 --> 00:00:29,896
and changes will update automatically.

15
00:00:32,198 --> 00:00:34,167
Plus, you now have full coordinator

16
00:00:34,167 --> 00:00:35,435
and member functionality

17
00:00:35,435 --> 00:00:36,236
where changes made in

18
00:00:36,236 --> 00:00:37,237
the coordinator course

19
00:00:37,237 --> 00:00:39,406
will automatically flow to member courses.

20
00:00:40,340 --> 00:00:41,608
