

Students: How to Access CourseConnect Content in Your Blackboard Course

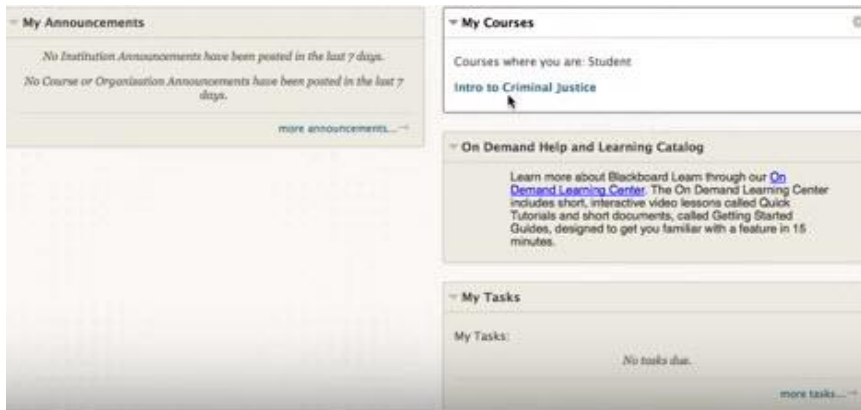

Before you get started, you will need the following:

- A Pearson access code or a credit card for purchasing access
- An email address
- A new or existing login name and password

1. Begin by logging into your course via your Blackboard account.

2. Choose your course.

3. Choose any CourseConnect lesson presentation to launch the registration process.

Registering with an Access Code

(If you need to purchase access online, please skip to page 5.)

4. If you are accessing CourseConnect content for the first time, choose **Student** under the Register header.

The screenshot shows the 'Start Here!' page for 'Introduction to Criminal Justice'. It features a 'Welcome' message and two main options: 'Sign In' and 'Register'. The 'Register' section is highlighted with a red box and includes a 'Student' button. Below the 'Sign In' section, there are fields for 'Username' and 'Password', and a 'Sign In' button. A 'Need access?' link is also present.

5. Read and accept the Pearson License Agreement and Privacy Policy.

The screenshot displays two scrollable sections: 'Privacy Policy' and 'License Agreement'. The 'Privacy Policy' section is titled 'Pearson Education Privacy Statement' and contains text about protecting personally identifiable information. The 'License Agreement' section is titled 'Pearson Education End User License Agreement and Privacy Policy' and contains terms of use. At the bottom, there are 'I Decline' and 'I Accept' buttons.

6. If you previously created a Pearson account, click "Yes." If you are not sure, use the **Not sure if you have an account?** link.

The screenshot shows the 'Steps to Register' progress bar with 'Access Information' selected. Below, the 'Access Information' section asks 'Do you have a Pearson Education account?' with radio buttons for 'Yes' and 'No'. A red box highlights the link 'Not sure if you have an account?'. Below this is an 'Access Code' section with a text input field and an 'Example' button.

7. If you need to create a new account, click **NO** to create a Pearson login name and password. We suggest using your email address as your login name.
