

Activity 3 Assessment

Composing Shapes

Composing and Decomposing 2-D Shapes

Constructs composite shape using copies of the same Pattern Block

"I can use 4 triangles to make a parallelogram."

Constructs composite shape from Pattern Blocks in more than one way

"I can also use 2 triangles and a rhombus to make a parallelogram."

Completes a picture outline with Pattern Blocks

"I used 10 blocks to cover the outline. I tried to use a variety of blocks."

Constructs composite shapes in many ways by decomposing shapes and rearranging parts

"I traded 3 blue blocks for a yellow block, and 2 red blocks for a yellow block. I was able to cover the outline using only 7 blocks. When I use only green blocks, it takes 22 blocks."

Observations/Documentation
