Connections: How Many Minutes? Seconds?

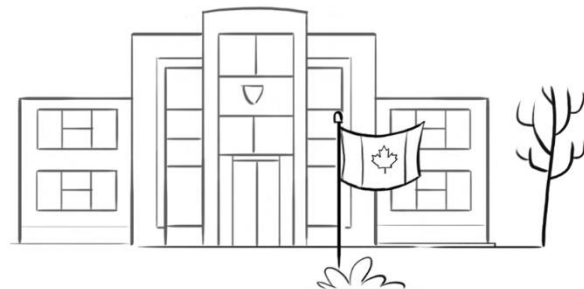

Grace brushes her teeth for
2 minutes every morning.
That is 120 seconds.

She takes 3 minutes
to get dressed.
That is 180 seconds.

She takes 5 minutes
to eat her breakfast.
That is 300 seconds.

She takes 6 minutes to walk
from her house to school.
That is 360 seconds.

How many minutes does Grace spend getting ready for school altogether? How many seconds?

How many minutes and seconds do you take?
