## Which Would You Choose?

Choose a situation.
Research information that would help you make an informed decision.

- Identify the advantages and disadvantages of each option.
- Consider interest rates and fees when making your choice.
- Identify whether you could trade, lend, borrow, or donate for what you need.
- Determine the cost, then explain how you might earn, save, or pay for the chosen option.

## Situation 1: Movie Night

You and your friends want to have a movie night.
Consider the following options.

- pay to watch it on demand
- use your streaming service
- take from the library
- go to the movies
- other
