

# Everything you need

for powerful goal-directed comprehension instruction

## COMPLETE *Comprehension*

Assessing, Evaluating, and Teaching  
to help students comprehend

*Fiction*

*Nonfiction*

**Complete Comprehension** is something bigger from Jennifer Serravallo. Expanding on Jen's *Understanding Texts & Readers* and *Reading Strategies Book*, it takes her most practical thinking and puts it into an all-in-one resource that presents you a complete instructional cycle for comprehension:

### ASSESS

comprehension in  
whole-chapter books

### EVALUATE

readers' responses to  
determine a goal

### TEACH

with dozens more  
reading strategies

# Know readers well, differentiate powerfully

1

## ASSESS

- Whole-book comprehension assessment
- Authentic, highest-quality trade books
- Written responses during independent reading—no instruction time required

2

## EVALUATE

- Rubrics aligned to Jen's hierarchy of reading goals and progressions of skills
- Yields deep insight into readers' comprehension skills
- Included sample responses guide decision making

3

## TEACH

- Variations on 20+ foundational strategies from *The Reading Strategies Book*
- Plus 75+ additional reading strategies!
- Easily incorporated into existing instruction

FROM  
*Jennifer Serravallo*

*Complete Comprehension* forges a direct connection between Jen's *Understanding Texts & Readers* and *The New York Times* bestseller *The Reading Strategies Book*.

# COMPLETE Comprehension

## HOW IT WORKS

ASSESS

1

**1** Student chooses a tradebook.

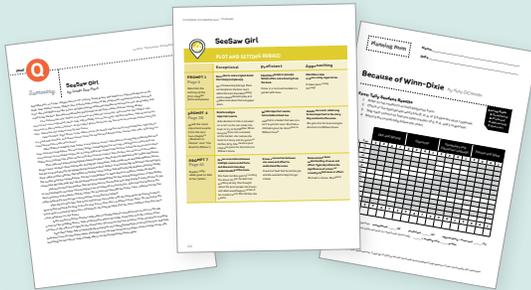

**2** As a student reads independently, they respond to prompts—freeing the teacher to work with others.

EVALUATE

2

**3** Teacher uses included book summaries and rubrics to evaluate and matching planning forms to identify a goal and skill to work on.

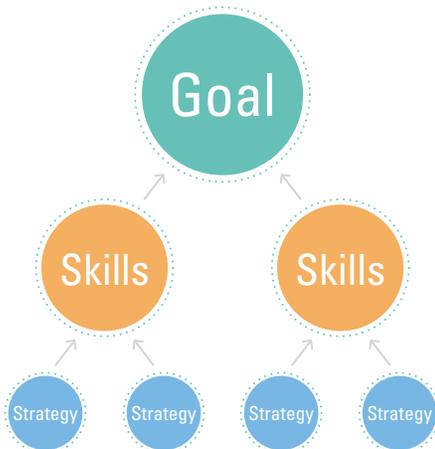

### A Hierarchy of Reading Goals

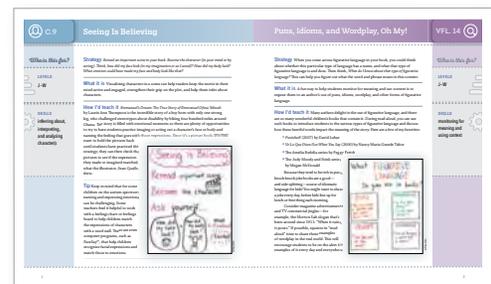

From *The Reading Strategies Book* (Serravallo 2015)

TEACH

3

**4** Teacher chooses from 100+ reading strategies that help students develop automaticity with skills that are part of comprehension goals.

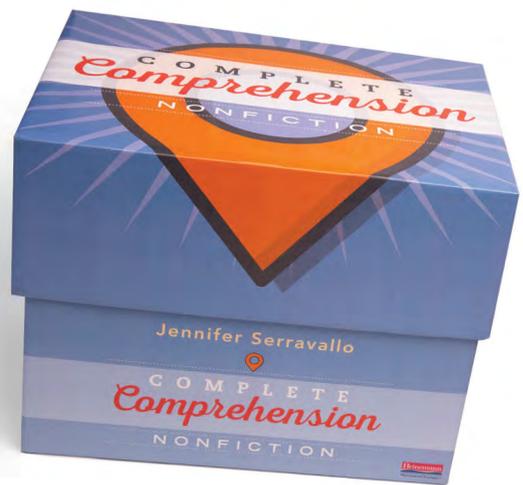

# Everything's inside
