Pearson Mathematics writing and development team	iii	<b>2.5</b> Time-related data	109
Series features	viii	2.6 Lines of best fit	115
Using Pearson Mathematics	X	Problem solving: Making the data fit	121
Chapter 1 Linear relationships	2	Maths 4 Real: John Graunt-father of statistics	122
Recall 1	3	<b>2.7</b> Statistics in the media	124
Exploration Task: Straight lines	3	Investigation: Newspaper polls	132
1.1 Linear equations	4	10A 2.8 Standard deviation	133
Exploration CAS: Solving equations	13	Problem solving: Keeping score	142
<b>1.2</b> Gradient	15	Chapter review 2	143
<b>1.3</b> Sketching linear graphs	22	Chamber 2 Nerobyer and	
Problem solving: Odd one out	30	Chapter 3 Algebra and	
Half-time 1	31	quadratics, part 1	148
Maths 4 Real: Mobile phone plans	32	Recall 3	149
<b>1.4</b> Parallel and perpendicular lines	34	Exploration Task: How can rectangles help	149
Problem solving: Area of a triangle	37	with algebra?  3.1 Expanding brackets	150
Exploration CAS: The art of linear relationships	38	<b>3.2</b> Factorising using common factors	158
<b>1.5</b> Linear inequalities	40	<b>3.3</b> Identifying quadratic graphs and	150
Problem solving: Win ratio	45	their equations	162
<b>1.6</b> Simultaneous equations	46	Problem solving: How much is enough?	166
Investigation: Breaking even	58	<b>3.4</b> Quadratic transformations	167
Chapter review 1	60	Problem solving: Finding curved areas	176
Chapter 2 Statistics	63	Half-time 3	177
Recall 2	64	Exploration CAS: Investigating quadratic graphs	
Exploration Task: Problems with problems	64	and turning points	178
2.1 Cumulative frequency curves	65	<b>3.5</b> Factorising monic quadratic expressions	180
Problem solving: Product codes	72	<b>3.6</b> Factorising using special products	186
2.2 Box plots	73	Problem solving: Playground swings	191
Problem solving: Draw that plot	83	Maths 4 Real: Staying alive	192
Exploration CAS: Investigating data with box plots	84	Investigation: The firefighter's ladder	194
2.3 Comparing data sets	86	<b>3.7</b> Algebraic fractions	196
Problem solving: What do you mean?	96	Problem solving: How to square two-digit	000
Exploration CAS: Exploring grouped data	97	numbers quickly—without a calculator	202
		Chapter review 3	203
