STORY CARDS: INSTRUCTIONS

Ask your child to put the cards in the correct order and then to tell the story (see the card: *Mocka's Friend*).

Help them to tell the story in order by asking questions with who, what, when, and where, e.g. *Who is the story about? When does this story happen?*

On the card with the story text, the **bold** words are the 'special words' that your child has been practising at school most recently; underlined words are 'special words' from previous weeks.

MOCKA'S FRIEND

TIME / SESSION 24+

Mocka is fast asleep when his **alarm clock** rings. It's still **night** so it's very **dark** but Mocka wants to get up.

Mocka turns on the **light** and puts on his boots. With a big yawn, he goes downstairs. He is going to see a friend.

Mocka goes out into the garden to look for his friend. The sky is very **dark**. The moon is thin and there are lots of stars.

And here is Mocka's friend! It's Owl! Owl's **playtime** is at **night** when it's **dark**. "Hello, Owl," says Mocka.
