

Bill enters, carrying a box, a fish and some cheese.

Bill:

Hello! I'm Bill. Maybe you're wondering why I've got this box and this fish and this cheese? Well, I found the box under the floorboards. And do you know what's in it? Oh dear, here's Jill – I'll have to tell you later.

Bill hides the box, fish and cheese. Jill enters.

Jill:

Hello! I'm Bill's wife, Jill. I **must** tell you something. Bill's got awfully smelly feet!

Bill:

Jill just can't keep a secret. She told the whole village about my smelly feet.

Lenny: Jill told Jenny she caught a fish in a tree!

Penny: That's ridiculous! Wait until I tell my customers!

Jenny, Lenny, Kenny and Penny exit.

Bill enters.

Bill: That was part one of my plan.
Now for part two!
I'll drop this cheese in the pond.

Bill drops the cheese in the pond.

Jill enters with the net.

Jill: Let's see if we can catch any more fish in the tree.
