

First Person, Third Person

Watch the Sharing Our Stories film *The Story of Girbar*.

From third to first

- 1 Retell *The Story of Girbar* from Girbar's point of view, using the first person. (Remember, first person uses pronouns such as "I" or "we".)
- 2 How do you think using first person changes the story?

From first to third

Dana Ober, the man who speaks to us, uses first person to talk about Saibai Island, its culture and history.

- 1 Stop the film after listening closely to a segment of Dana Ober speaking. Repeat what he says, but using the third person. (Remember, third person uses pronouns such as "he", "she" or "they".)
- 2 In what way does using third person change the feeling or mood of what Dana Ober is saying in the film?
