

So the spiders spun webs  
all over Granny Groggin's house.

A man came to fix  
Granny Groggin's windows.

Granny Groggin was sitting  
in her favourite chair,  
while hundreds of spiders  
hung webs everywhere!

"Unbelievable!"  
said the window man.

And he went away muttering,  
"That Granny Groggin has got  
noodles in her noggin!"
