# Introduction

## Welcome to the 进步一 Jìnbù 1 Activity Book!

Each chapter contains a wealth of activities to build on what you have learnt in the *Jìnbù* Student Book and help you go further in your reading, writing and understanding of Chinese language and culture. You can use it in class, for homework or for self-study.

Features include:

### **Characters Plus**

In addition to the Student Book character practice, enjoy some extra writing practice for characters you will need.

### **Intercultural understanding**

Reflect on life in Chinese-speaking communities while comparing and contrasting with your own culture.

### **Culture, language and grammar boxes**

For interesting facts, further information and handy hints.

### **Vocab boxes**

Additional language that you may find useful or just fun to know.

### **Key and Supplementary language**

Word lists of the key language from each chapter of the Student Book, plus extra words and expressions found in this Activity Book.

### **Glossary**

An English–Chinese wordlist of key language for your reference.

### **Character practice grid**

For extra character writing practice.

We hope you enjoy your study of Chinese. Good luck!

祝你学习进步! Zhù nǐ xuéxí jìnbù!
