

NEW

Pearson Senior Science NSW 2nd Edition

- Fully aligned to the NESA Biology and Physics 11–12 syllabuses (2025).
- Bold new editions built on what you already trust, strengthened by insights from award-winning NSW educators.
- Everything you need to move to the new curriculum and prepare your students for exam success.

Coming in 2026

A trusted series, now refined, enhanced and ready for what's next in Senior Science.

Shaped by Australia's leading secondary science teacher

Matt Dodds brings award-winning STEM experience to the new edition of Pearson Senior Science NSW. Working alongside the expert author team, he helps strengthen the real-world practicality of the content, ensuring each lesson is engaging, intuitive to teach and effective for student learning.

Matt's insight ensures Pearson Senior Science NSW inspires curiosity and supports better outcomes for students in New South Wales science classrooms.

Meet series consultant, Matt Dodds

Physics and Biology teacher at Glen Innes High School in regional NSW

Recipient of the 2025 Prime Minister's Prize for Excellence in Science Teaching in Secondary
