

Nurse: Good morning, Mrs Bark! How are you today?

Mum: Good morning, Nurse.
Can Doctor Woof please take a look at Dot?

Nurse: What is the matter with Dot today?

Pip:

Dot has spots – lots
and lots of spots!

Nip:

Yes, she's got big red
spots!

Dot:

Can Doctor Woof
help me?

Nurse:

Let's see ...

They go into Doctor Woof's room.

Pip:

Look, Mum! Now
Dot has no spots!
No red spots and
no green spots.

Mum:

The green bone has got
rid of them!

Dot:

But look at Doctor
Woof!

Nip:

He has lots and lots of
red spots!
