

Ah... yes.  
Now I see.  
Can I call  
you back?

Run!

Run  
faster!

The only idea I  
can think of is...

**RUN  
AWAY!**

Quick,  
everyone get in  
my police car!

Lowe, that thing is  
heading straight for us.  
What are we going to do?

We'll get all  
Teresa's donuts, you  
start the engine!

Seconds later...

Jenny, do you really think this is a good idea?

I'm not sure! This many donuts in the car might distract Dad!

It's huge!

Drive faster!

We've got to stop this creature before he chomps the whole city, but how?

No idea, Penny... um, are you going to finish that?

Can Penny and Jenny stop the beast? Find out on page 12.
