

Bird:

Who's stronger than Sun?

Wind:

Who can it be?

Mountain:

I can't think.

Sun:

It's this big black cloud. When Cloud sits in front of me, no one can see me any more.

Bird:

In that case, I'll ask the cloud to be my best friend.

Bird:

How about it, Mountain?
I've been hearing how
strong you are.

Mountain:

Ah, but there's someone
even stronger than me.

Bird:

Who is it?

Cloud:

Who can it be?

Mouse:

I can't think.

Mountain:

Can't you?

Mouse:

No, I can't.
