

43 Tunnel Street
Boggyville
March 26

Dear Mickey,
How are you getting on? I have
been very busy with lots of spy
jobs. Last week I had to find out
why the bird eggs were cracking.
I had to sit in a tree for two
days dressed like a leaf. I found
out the eggs were cracking
because the birds were sitting
on them!

I would like to hear all your
spy news, so write soon.

Love from
Maggie
