What could we do with our Little Buddy class?

“We all like to do different things,” Mr. Kesting says.

“I’ll write down our ideas and we can choose later.”

“My little sister likes to make pictures with stickers,” says Farai.

“Let’s build a rocket ship!” yells Naz.

The board is full of fun things to do! There are indoor games and outdoor games. There are craft ideas and building ideas.

How will we decide?

“Let’s sort them,” says Mr. Kesting.
